# ~~SOAR~~ Dads!

*You're invited to a special:*  
**Father's Forum**

Your role as a father can at times seem daunting. It's easy to simply **survive** instead of **thrive** during these child-raising years. The family is God's idea and He alone knows best how to make it work. We invite you to invest a short two hours to learn positive, powerful, and practical insights guaranteed to help you become the dad God has called and designed you to be for your children.

Come enjoy a **free dinner** (*think Subway*) followed by a chance to interact with our good friend Perry Bowers, a professional family counselor and part of Columbia's own Focused Living Ministries. Perry has been married 32 years to his lovely bride Janet and has children, grandchildren, and lots of experience. Also, our SOAR Director, Eddie Crosby will be on hand to interact in the forum as well as answer any questions regarding the SOAR ministry. Eddie has been married 3 years to his beautiful bride Jennie and has an 18 month old son.

Your "admission" is to bring one question about being a father that you have always wanted answered. Perry will lead our discussion as we hear what God has to say about this all-important job. Our time together will be fun, practical and comfortable wherever you are in your spiritual journey.

**Not sure you want to come? Show this flyer to your wife!**
